Dear Judge Swain,

Re: Case of U.S. vs. Hobson

I approach you as the aunt of David Hobson who is scheduled to appear before you on March 2, 2017 for sentencing in the above-mentioned case.

I have known David all his life and have witnessed his respectful and honorable persona.

His mother suffers from dementia, and I have witnessed David's attentiveness to her, which at my advanced age of 87 years enables me to easily and greatly appreciate

The Love and dedication he has demonstrated and continues with.

May I humbly request your consideration and Leniency in David's sentencing on March 2?

Respectfully yours,

Ann Tanzi
